They were first introduced in 1830. *It has* been the subject of a long and able article before the public for Coughs, Colds, Hoarseness, Catarrh, the Hacking Cough in Consumption, and numerous affections of the Throat, giving favourable results.

**Public Speakers & Singers** will find them effectual for clearing and strength ening the voice.

From Mr T. Duchesne, for many years Chorist of French Paris Opera, Montreuil.

"I give you this pleasure to certify to the efficacy of your BROWN'S REVIVAL TONIC."

"I have been most afflicted with Bronchitis all winter, and have been unable to work. The Trochees are the only remedy I needed, giving power and clearness to the voice."

Rev. Geo. Black,  
Minister, Church of England,  
Milton Paragon, Canada.

"Two or three times I have been attacked by Bronchitis so as to make me fear that I should be unable to do my duty as a ministerial labor, through disordered throat. Recovered from a moderate case of the Trochee, I now find

 known to need commendation."  
 Hon. Chas. A. Phelps, Pres. Mass. Senate.  
 "My communication with the world has been  
 very much enlarged by the Lozenges which I  
 have used, and I can say that no trouble  
 is in my Throat, (for which the Lozenges are  
 so well known) and I need no other, more  
 specific."  
 N. P. Willis.  
 "I have never changed my mind respecting  
 them from the first, expecting to think yet  
 later of that which I began thinking well of."  
 Rev. Charles Beecher.
